NORSKO - 13 CHVÁL JEDNÉ ZEMĚ

CESTOVATELSKÝ VEČER

A horizontal film strip with four rectangular frames, each containing a different landscape photograph. The film strip has white sprocket holes along its top and bottom edges. The first frame on the left shows a snowy mountain landscape with a large, textured snowdrift in the foreground. The second frame shows a small blue cabin with a red roof and windows, situated in a vast green field under a cloudy sky. The third frame shows a green valley with a small lake, surrounded by mountains and a cloudy sky. The fourth frame on the right shows a waterfall cascading over a rocky cliff face.
